## OUR STORY

### Committed to Young People

We are proud to mention that we are a charity. In November 2013 the iconic Beach Hotel was purchased by YMCA Somerset Coast Group, who saw the old hotel as an opportunity to restore the heart of a community.

Today, we are fully committed to helping young people in our community to shine. We offer apprenticeships, training and support to develop the talent in our kitchens and other services. Join us at The Beach Hotel for a luxury stay, contemporary cuisine, a wonderful location and as a bonus, know that every penny you spend here goes back to good stuff.
